The screenshot shows the QuillBot AI interface with a sidebar on the left containing icons for various AI tools: Paraphraser, Grammar Checker (highlighted with a large red arrow), Summarizer, Citation Generator, and Translator. The main area displays a text editor with the following content:

```
I went to england.  
I went to Manchester United's stadium.  
I took a lot of pictures with Jisung.  
It was interesting.
```

The Grammar Checker tool is active, with a red box highlighting the "Grammar" tab in the top navigation bar. The interface shows two error notifications:

- Capitalise the "I" pronoun (with an "Ignore" button)
- Capitalize the proper noun England

At the bottom of the editor, there is a "Fix Errors" button and a status bar indicating "Paraphrase 21 Words".
